For trainers and shoes that smell and feel fresh as new

- neutralises odour
- kills and prevents athlete's foot spores
- sanitises items
- makes shoes last longer

Use Klenz's advanced Nano Silver Technology to sanitise your footwear today. In only 8 minutes your shoes and trainers will smell like new, plus the risk of foot infection will be massively reduced!

Shoes...

Mobile Phones...

Football boots...

Golf shoes...

Gloves... and many other items.
